

Resolve your subcontractor disputes using English qualified construction lawyers on performance fees

Systech Solicitors, the construction and engineering legal specialists with major projects experience, can help you resolve your subcontractor disputes.

Why you should use us

- English lawyers trained and qualified in London
- Regulated by the SRA
- Construction and engineering specialists
- Chambers Directory “well respected”, “highly rated”, “leaders in their field”
- Major projects experience
- Expertise in resolving subcontractor disputes
- Ideally located for global seat of arbitration – LCIA, ICC, SIAC, DIAC
- Flexible work locations – “your site is our office”

What we would charge

- Highly competitive fee rates – typically US\$300/hour (£250/hour)
- Performance related fees – we are prepared to share the risk with our clients and will consider Conditional Fee Agreements which can be combined with relevant costs insurance to protect our clients

Who we have worked for

- Mitsubishi Heavy Industries
- Mitsubishi Hitachi Power Systems
- Hitachi
- Obayashi
- POSCO
- TOA
- FCC
